OFSTED: "Reading is a strength at Oliver Goldsmith School." 2021

Dear Parents/Carers,

As we come to the end of this academic year I wanted to say a huge thank you to you all for your support and encouragement. Adapting the school, timetables and adjustments due to Covid-19 has certainly kept us busy.

The children and staff at school have worked incredibly hard to ensure they have accessed as much learning as possible and it has been very successful. The comments from OFSTED were incredibly positive and I am intensely proud of the whole school community.

I hope you all have a safe, fun and healthy summer break and I look forward to September when we come back to full and regular school days again.

Kindest regards

Lesley Murdoch (Headteacher)
