# NEWSLETTER

Wednesday 20th October

Dear Parents/Carers,

What an exciting half term it has been, the children have settled back in nicely and are producing some fantastic work. We have had some great enrichment projects running including Black History workshops with the Blue Elephant Theatre, Art and DT with the South London Gallery and musical instrument taster sessions with Rock Steady Music.

It was lovely to see so many of you during parents evening and the phonics workshops and we hope this will grow over the rest of the year. On the following page you can find some key dates for our coming events. Have a restful half term.

Kindest regards

Wendy Thangarajah (Deputy Headteacher)
