

Friday 3rd December

Dear Parents/Carers,

The end of term is fast approaching and the children have been working incredibly hard and there are fantastic pieces of work on display around the school. We have a busy and festive couple of weeks left of the term and some key events including the nativity, Christmas jumper day and carols around the tree.

The weather has turned very cold and there are lots of coughs and colds going around so please ensure the children wrap up warm.

The children were very excited to produce their cakes and winter menu's for the headteacher competition and the school council were very helpful with the taste testing, you can see the winners below.

Kings will be holding a virtual coffee morning to discuss oral hygiene - all parents are welcome and the link is on the website.

Have a wonderful rest of term,

Kindest regards

Some lovely cakes, biscuits and menus were created. The school council helped to choose the overall winners. So well done to Austin in year 3 and Keren in year 6. Everyone who took part were fantastic.

The PTA are holding a 'design a Christmas tree' competition. The children can collect template from their class teacher.

## Nursery, Reception and Year 1 Nativity 2021

### Therapist invitation.

We know things can get on top of us these days and some minor issues can seem huge. Sometimes it is good to be able to share worries and realise that we are not alone.

Our school-based Therapist is offering a creative, open discussion group for parents/carers on Thursdays after school.

**Dates to be confirmed once we know who would like to join us.**

It is an opportunity for adults to share any worries about life after lockdown, coping with family life and day to day issues.

*Further details can be found on the school website.*
